the door?

Sorry to
have
surprised
you

turned on the shower

And I accidentally

I slipped

I was going to use the bathroom but

And got wet

taking
the
Ques?

drying clothes.

I'll borrow
you a towel
and you dry

By the
way

I guess
your hair's
wet, too?

Why...
What did I
just say??!!

I'll dry
it for
you

Come
here

Um?

"You want
me to wipe
it this way?"

wipe

covers

What
is it?

I recalled
some-
thing
nice

Heyyyyyy

Really

What
is it,
all of
sudden?
(So serious
and quiet)

Um...

The smell
of the towel
when I dried
it's hair for
the first time

That's...

I'll dry
it for
you
